

## THE GOAL

in Holistic & Natural Animal Care is to help the animal heal itself, working to balance the mind, body, soul and spirit. We believe this can be accomplished with different Natural Therapies and natural health products that compliment the veterinarian's care. One of these products is the Animal Herbal Formula.

**Animal Herbal Formula** is manufactured for Alpacas ALL Naturale' by Smart Microbials, Inc. / San Marcos, California

This product is not intended to replace your veterinarian's diagnosis or care. Always consult your veterinarian or natural health care practitioner when your animal is sick.

Go to our website for more natural health care products for animals and their human friends.
